## ABOUT ME

My name is Luiggy Delor, I'm 26 years old.

I'm from Guadeloupe a Caribbean island where we speak French and Creole.

I created this brand in July 2019.

For the past 3 years of my life I've been tired of wearing clothing brands that didn't speak to me or represent who I am.

I decided to establish a brand that would represent my values, ambitions and my personality.
